MEMORANDUM TO COUNSEL RE:

Scott Paper , Ltd. v. AGM Alternatives, Inc.
Civil No. AMD 02-1980

I am denying the request for a continuance of trial without prejudice until we have a better feel for the need for a continuance. If same should prove actually necessary, then I expect to commence the trial of this case immediately after Mr. Freeman's trial on the 24th.

I must say this problem should have been mentioned within a day or so of my 2/24/03 Order.

I further understand that inquiry was made as to whether I might be willing to place under seal a consent judgment. While I'd rather not, it is possible that I could be persuaded to do so.

Very truly yours,

/s/

Andre M. Davis
United States District Judge
